**CUSTOM COLOR MATCH CUSTOMER FORM**

Customer: Please complete the following form in its entirety to assist us in completing your custom color match. Please send this form along with the sample to be matched to the address listed above. Please allow 4-6 weeks lead time for completion. **Our current color match fee is \$95 per color matched.** If for any reason we are unable to produce a satisfactory match for your color, we will refund this amount in full. Once matched, Stewart Systems will retain the formula, and the color may be ordered in any quantity now or in the future. Please note that some colors may not be accurate in less than quart quantities. Pricing for custom colors varies, but is generally close in price to the nearest shade standard color.
